Ratios

We always endeavour to split school groups into smaller groups of 15 or fewer students, led by a qualified member of Rushall Farm staff. We find that these smaller groups really aid the learning process.

For school visits there is no cost for teaching staff or adult helpers unless a standard pupil: staff ratio is exceeded (see below). Staff exceeding this ratio are charged at the same rate as the children, unless they are working with children 1:1.

Recommended Ratios:

	Children	Adults
Pre-School groups	2	1
Foundation (Reception)	4	1
Key Stage 1	6	1
Key Stage 2	10	1
Key Stage 3 and 4	15	1
